HIT BY MACHINE

Basich, prominent Mountain View orchardist, was fatally injured on El Camino Real at Mountain View at 9:30 o'clock Monday when he was struck by the automobile of Herbert Reichley, 148-B Springer street, Mountain View.

Basich was crossing the highway at Bay street and evidently did not see the car in time to avoid being struck. State Officer Robert Gallimore investigated and reported that Reichley apparently did not see the pedestrian because of blinding lights of oncoming cars.

THREE-CAR CRASH

Mrs. Branks, who lived at 76 Ray street in San Francisco, died in Villa Sanitarium in Colma after an accident when the car in which she was riding, driven by her husband, was struck by the machine driven by O'Toole, and occupied by him, Miss Armond and Wilson. Shortly after they crashed on El Camino Real near Colma a third car driven by Schneider struck the two machines. O'Toole was brought to the county jail here Tuesday where he was charged with manslaughter by Highway Patrolman Otto Schramm, who investigated the accident, which occurred at 3 o'clock Tuesday.

Paracentes was hurt at 1 a. m. Tuesday when he walked into the path of a machine driven by L. W. Devins, 862 Roosevelt avenue, Redwood City. The accident happened on El Camino Real at Charter street. Special Police Officers Roza and Stafford investigated.

POLE SHEARED OFF

Hart was hurt at 8:50 a. m. Tuesday when his automobile crashed into electric power pole on Inner Circle, Redwood City. The pole was sheared off and Hart's machine was badly damaged, but his injuries were slight.

Funston, a druggist, was struck by a hit-runner while attempting to cross the highway in South San Francisco at 9 o'clock last night.

The Escobedos were hurt when their car overturned on a curve near Colma at 5 a. m. Tuesday.

Legion's New Year Dance Due Tonight

The San Mateo County Council of the American Legion has completed details for their annual New Year's Eve dance which will be held in the Belmont Legion Clubhouse on Ralston avenue in Belmont tonight. At a meeting of the general committee held last evening under the leadership of Phil Blanchard, past commander of Menlo Park post, subcommittees were appointed to handle the various activities. The Forty and Eight Society, of which T. Louis Chess of San Mateo post is Chef de Gare, and the American Legion Auxiliary County Council, headed by Mrs. Bertha Brady of Burlingame unit, have pledged their support to the general committee and from every indication a large crowd will attend the festivities.

FRIENDS CROWD CHURCH TO PAY FINAL TRIBUTE TO LATE JUDGE SWART

With some county and other offices in Redwood City closed out of respect to his memory, last rites for Superior Judge Franklin Swart, who died suddenly Saturday, were held at 2:30 o'clock this afternoon from the First Congregational Church here.

The Rev. Norman Pendleton, pastor of the church, was in charge of the services, which were attended by a host of friends of the late jurist. The Rev. Mr. Pendleton was assisted by Dr. Herbert Parker Shaw, pastor of the West Side Christian Church of San Francisco, of which Judge Swart had been a member for more than 20 years.

At the services the late judge's favorite hymn, "Beulah Land," was sung by Mr. and Mrs. Herman Phillips, and the quartet of the Redwood City Kiwanis Club, to which Judge Swart belonged, sang "Over Just Beyond the Hilltops," by Danks. Members of the quartet are Herman Phillips, Duncan Reynard, B. E. Myers and Wilbur Doxsee. They were accompanied at the organ by Mrs. Helen Huebner.

Pallbearers were Clifton Woodhams, Roy W. Cloud, Edmund Scott, Elmore B. Hinman, Frank Andrews, Donald Bogie, Harold F. Anderson and Richard O. Bell.

Interment followed at Cypress Lawn Cemetery. The James Crowe Company (Parmalee & Phillips) was in charge of arrangements.

PRIVATE RITES HELD

Previous to the rites at the church, brief private services were held at the Swart home on Eaton road, where the body of Mr. Swart had lain in state since its arrival here yesterday from Willows, where the judge was stricken with a heart attack at 10 a. m. Saturday.

Judge Swart is survived by his widow, Adele Beckman Swart, and one son, Rufus, 17. A brother who lives in the East also survives.

The death of Judge Swart, which was a great shock to this county where the jurist was extremely popular, occurred as he was on a hunting trip on the Spaulding ranch near Willows. First reports of his death said it occurred near Colusa.

SON FINDS FATHER PRONE

With his son Rufus, Judge Swart, who was an ardent huntsman and lover of the outdoors, was shooting geese. Rufus left his father for a few moments to take some of their quarry to their car and to obtain additional shells. When he returned he found his father prone. The son rushed for aid and a doctor was summoned, but the judge was beyond medical help.

Mrs. Swart had accompanied her husband and son to Willows for the trip. The death prostrated her. She and Rufus returned to their home here early Sunday morning.

When the news of the sudden passing of the jurist reached Redwod City Saturday afternoon the flag at the courthouse was immediately lowered to half mast. As the word of his death spread a pall of gloom seemed to hang over the city, for all who knew the man felt his death keenly.

ATTENDED STANFORD

Born at New Paris, Ind., June 25, 1876, Mr. Swart came to California when he was 20 years of age. He had attended the state university in Indiana, and enrolled at Stanford immediately upon his arrival here, where he finished his education, securing a law degree. At Stanford he waited tables during the school term and dug ditches and performed other labor during vacations to work his way through college.

Upon receiving his law degree, Mr. Swart started the practice of law in San Francisco. After a short time there he moved to this county, where he continued his practice. In 1910 he ran for and was elected to the office of district attorney. Five times subsequently he was re-elected to the office, holding the post more than 20 years until his elevation to the bench by the late Governor Rolph when a second court was created here. It was on September 3, 1931, that he took his oath of office, administered by County Clerk E. B. Hinman.

BAR PAID TRIBUTE

At this impressive ceremony members of the bar paid the new judge high tribute, emblematic of the esteem in which the man was held by the community. Hall C. Ross, then president of the San Mateo County Bar Association, expressed the feeling of the members when he told Mr. Swart that "it was the unanimous consent and wish of every member of the bar association that you be given this position . . . We know in your appointment we have a worthy judge to fill this new department."

Judge Swart fulfilled to the expectancy of all the trust imposed in him.

In 1932 he was elected to succeed himself in the post. His term would not have expired until 1938.

SUCCESSFUL PROSECUTOR

As district attorney Mr. Swart successfully prosecuted many criminal cases that achieved wide fame, among them the noted Hightower murder case and the Woodring-Roderick well murder mystery of later years. He had tremendous success as a prosecutor, and during his term he had an exceptionally high average number of convictions. He was an extremely capable speaker, and was able to sway juries in a remarkable manner.

IMPARTIAL JUDGE

As an attorney and as a judge, Mr. Swart stood up for what he believed was right, at all costs. He was opposed to gambling, and worked hard to outlaw its evils.

At one time when he was district attorney, Mr. Swart was president of the state association of district attorneys.

As a judge, Mr. Swart was known to be able and impartial. He had endeared himself to many youngsters of the county through his work as juvenile judge. On Monday afternoons he held court at the juvenile home, and his persuasive reasoning has been known to set many a wayward boy straight.

While for the past seven years Judge Swart had not been in the best of health, his death was unexpected. Last year while on his vacation Judge Swart was taken ill on the train enroute to the East. He received treatment at the Mayo Brothers' Clinic in Rochester, Minn., but when he returned here it was observed his health was not the best. He had remarked to friends only last week that his heart was troubling him slightly, though he felt perfectly well otherwise.

An ardent sportsman, Judge Swart was wont to spend his weekends out of doors, hunting and fishing, in spite of his condition.

He was also active in civic affairs. He was a member of the Masonic, Shrine and Scottish Rite lodges and was a Shriner.

$2500 Bail Is Set On Manslaughter Charge of Mathis

With his arraignment set late yesterday by Justice of the Peace Edward I. McAuliffe for Wednesday at 1:30 p. m., bail of Jesse Mathis, Palo Alto man charged with manslaughter as the result of the death of A. O. Eager in a crash here early Saturday, was raised to $2,500 by the judge.

In lieu of the bail, Mathis, an attendant at the Veterans' Hospital, was in the county jail today where he was lodged by Deputy Sheriff Leland Quinlan after his arrest.

Eager, Southern Pacific brakeman whose home was in Oakland, received fatal injuries when he was crushed between Mathis' automobile and a moving freight train south of here on the Middlefield road crossing. Mathis and his companion, Clyde Rowland, also a hospital attendant, had been drinking, according to Deputy Quinlan. Rowland, however, was later released.

Ten more girl babies were born in Redwood City and vicinity during the past year than boys, it was revealed today as I. C. Drathman, who records births for this district, prepared to close his books for 1934.

Altogether there were 42 girls and 32 boys left by "Old Doc Stork" with proud parents in this district. Inside the city limits there were 17 boys and 24 girls, while in the third township of San Mateo county, which is the district surrounding Redwood City, there were 15 boys and 18 girls born.

At the same time Drathman revealed that while 74 births were being recorded here, there were 196 deaths, 53 within the city limits and 143 outside the town.

Brides, Babies Will Be Topic Of Menu Flash

Sixteen year old brides, adopted babies, and visiting neighbors will have Joan Andrews' attention next Friday morning at 10 in the first Menu Flashes program (Golden State Co., Ltd.) of the year on KPO.

The family problem discussions on Joan's broadcasts seem well on their way to becoming a regular feature. Fan mail asking advice on domestic questions is getting to be as heavy as that requesting recipes, according to the popular kitchen expert.

Blaze in Storm Damages House On Ranch Here

Called out when the rain storm seemed to be at the height of its fury, the Redwood City fire department Saturday night at 11:30 p. m. extinguished a blaze in a house on the "old Maloney ranch" on Valota road just inside the city limits.

The fire, which evidently started from ashes which fell from a heating stove, burned a hole in the floor of the living room of the house. The blaze was quickly extinguished upon the arrival of the firemen and the damage was small.

Firemen, however, received a good drenching from the rain, and the two trucks which went out came back sadly in need of a good washing—which they got yesterday.

M'Nutt, Others Speak Tributes To Late Jurist

'Kept High Standards,' Fellow Judge Says Of Colleague

Acting "personally and judicially," Superior Judge Maxwell McNutt on Monday adjourned court until Wednesday out of respect to the memory of Judge Franklin Swart, who died suddenly Saturday. Hearing of all cases scheduled for both Department 1 and Department 2 of superior courts was postponed until Wednesday.

"For many years Judge Swart and I worked together," Judge McNutt said in adjourning court. "As district attorney Mr. Swart served with credit and honor to himself and this county. As a judge he continued his high standards. I deeply regret the passing of my friend, and feel that I can act personally and judicially in adjourning court."

When court convened at 10 this morning, James T. O'Keefe, president of the San Mateo County Bar Association, moved for adjournment, stating that members of the bar, out of respect to "this intelligent and respected member," desired that this honor be given. His motion was seconded by William H. Morrissey, who stated that "San Mateo county has lost an outstanding member of the bar and an outstanding citizen."

SUPERVISORS ADJOURN

At the same time the board of supervisors, after passing the regular claim schedule and weekly unemployment payroll, adjourned until Wednesday.

The justice and police courts were also adjourned today by Judge Edward I. McAuliffe.

Opinion was unanimous today that San Mateo county had lost one of it most valuable citizens in the passing of Judge Swart. A few testimonials given him today were the following:

Charles D. Lambert, mayor of Redwood City: "I had known Judge Swart since he came to town, and have always had the highest regard for him, as a district attorney, as a judge, and as a citizen. He was on a high plane."

Ambrose McSweeney, county tax collector: "He was a highly esteemed personal friend. We started campaigning together in 1910, and in these 24 years that have since gone we have been closely allied and friendly. It is with regrets that I am called upon to make this statement." The death of Judge Swart leaves McSweeney the oldest officeholder, in point of service, in the courthouse.

Edmund Scott, district attorney: "He represented the ideal man as judge, lawyer and friend. He did more for me than any other man outside my father, consequently you know how deeply I feel his death."

T. Clark Rice, recorder: "I have known the judge ever since he came to this community. He was always uppermost in it when it came to public service and right doing."

Ernest Werder, purchasing agent: "I have always admired Judge Swart for his fearlessness and his standing on public affairs."

Elmore B. Hinman, county clerk: "He was a kindly humane public official, and had the best interests of the county at heart. He was just in his decisions."

Dr. C. V. Thompson, chairman of the board of supervisors: "I was closely connected with Judge Swart for 20 years, and found him always willing and agreeable to advise the board in any respect."

Harry Jenkins, treasurer: "I have always admired the judge, and believe that his passing is a distinct loss, not only to the county but to the state as a whole. He was fine to work with, not only in county affairs but in other matters, especially in lodge work."

Gilbert Ferrell, district attorney-elect: "We graduated together from Stanford and got our law degrees together in 1908; were partners from 1908-10 and I served as his deputy for two years in 1912 and 1913. I have always had a high respect for Mr. Swart."

Walter Kellogg, county executive: "It was with the deepest regret in the world that I learned of Judge Swart's death, and needless to say, I feel very badly about it."

Edward Stack, controller: "He was a noble character, a good lawyer, honest and efficient. Through my 20 years' of association with him I have learned he was a very able man."

Daniel Flynn, assessor: "A fine man and a fine friend."

The huge lake formed by Boulder Dam in Nevada is expected to be 115 miles long and 8 miles wide.

Queries Ready For Ex-Lamson House Tenant

Lawyer Hits Quibbling By Defense Side On Questions

SAN JOSE, Jan. 2 (Special to The Tribune)—Questions which David Lamson's defense counsel have prepared for the important deposition of Prof. George R. Harrison of the Massachusetts Institute of Technology remained substantially unaltered this morning after attorneys for the defense and prosecution had argued the Harrison interrogatories before Superior Judge R. R. Syer.

The state entered the courtroom with more than a dozen protests to the questions which the defense proposed to ask Prof. Harrison, former member of the Stanford University faculty, in an effort to bring out testimony to crush the prosecution's contention that a 10-inch pipe found in the ashes of a bonfire in the Lamson yard was the weapon used to kill Mrs. Allene Lamson and was then hidden in the fire by the defendant.

The interrogatories, direct questions by the defendants and cross questions by the district attorney, were phrased in their final form this morning during an hour's session in Judge Syer's court.

Because of the routine nature of the proceedings, the usual throng failed to jam the courtroom, only 50 or 60 spectators being present. Of these, only three were women.

For the first time since the proceedings reopened following the supreme court's reversal of Lamson's conviction, none of his relatives was in court.

Edwin V. McKenzie, chief of the defense counsel, speeded matters this morning by announcing at the opening of the session the defense had no objection to make to the cross-questions the state wishes to present to Professor Harrison through an eastern notary public approved by the court.

The remainder of the hour was given over to arguments on the state's numerous objections, several of which nettled McKenzie, who described them as "quibbling."

The court set Saturday, January 12, as the date on which Professor Harrison's deposition will be taken in Massachusetts.

His replies will then be forwarded to the clerk of the court here for introduction as testimony when Lamson's second trial on charges of first degree murder opens February 18.

The defense questions are designed to bring out testimony that pieces of pipe such as the one the state contends was used by Lamson to murder his wife found their way frequently into the trashpile in back of the Lamson cottage before the Lamson family ever occupied the place. Professor Harrison, then a teacher at Stanford, was the first tenant of the cottage where Mrs. Lamson met her death year before last.

MRS. TALKINGTON IS FOUND GUILTY

Life Is Recommended For Killer of Local Man's Brother

Deliberations of 13 hours Tuesday afternoon resulted in the jury's finding Mrs. Bertha Talkington guilty of first degree murder in connection with the death of her husband, Lamar "Bob" Talkington, brother of Lenz Talkington of 522 Vera avenue, Redwood City. The local man had appeared as a witness for the state and with his wife attended the sessions of the trial, which was held in Merced.

The jury of seven men and five women which brought in the verdict recommended that she be given a sentence of life imprisonment.

Mrs. Talkington collapsed as the verdict was read, and had to be carried from the courtroom.

In summing up the case for the state, Prosecutor Stephen P. Galvin had charged her with deliberately shooting and killing her husband, a Watsonville barber, while they were en route by automobile to Modesto three months ago.

Mrs. Talkington had asserted that she fired in self-defense while struggling with her husband for a gun he had allegedly drawn in an attempt to kill her.

The case was the first in which California's new law permitting a judge to comment upon the evidence in a criminal trial resulted in an admonition to the jury. Superior Judge E. N. Rector told the jury:

"This is the clearest case in this court during my many years of experience. You have heard the district attorney's argument. I agree with it," he told the jury.

Lenz Talkington, who had expressed the belief that his brother was deliberately murdered by the woman, expressed satisfaction with the verdict.

Reports from Merced today indicated that defense attorneys were preparing an appeal to present to Judge Rector when he calls the 90-pound woman before him for sentence Friday morning.

Board's Stand Not Revealed On Major Gans

Medical Men Declare Peddicord Holds Their Respect

Individual members of the medical profession followed up a protest from the society this week in communication to the board of supervisors protesting the appointment of Maj. Charles C. Gans as health officer of San Mateo county.

About 23 signatures of prominent San Mateo county physicians and surgeons were included in two petitions presented.

The board of supervisors refused to put itself on record for or against Dr. Gans, after Mrs. Ella Chase, Lomita Park, said she believed the public was entitled to know how it stood.

Dr. C. V. Thompson, chairman of the board, referred her to an opinion filed with the board by District Attorney Edmund Scott in which he said the present board has no voice in any offices to be filled January 7.

Scott's opinion said that since the offices do not become vacant until noon January 7 when the terms of Dr. Thompson and Mrs. Rosalie Brown expire, no vacancies exist and will not exist until after the two supervisors themselves go out of office.

As a result, Scott said that only the new board as it will be constituted after 12 o'clock January 7 can ratify County Executive Walter Kellogg's appointments or fill those to be acted upon by the board itself.

Heading the communication were Dr. N. D. Morrison and Dr. William Knorp.

Dr. Harper Peddicord, prominent Redwood City physician, was the unanimous choice of the medical men and had their "respect and confidence," the communication stated.

The medical profession pointed out that it "bear the brunt of the problem of caring for the indigent, sick and injured," and because of special technical training and intimate association with the problem, is declared to be able to give a "far deeper understanding" to the health situation "than is possible for the average layman."

The medical group declared its belief that it was entitled to "special consideration" in making the recommendation for the post.

No public health program could be possible if the support of the medical profession is alienated, the board was informed.

The Building Trades Council of San Mateo county joined the medical dispute when it urged that no one be selected for the post who has not resided within the county one year. Major Gans is a new arrival from Chambersburg, Pa.

The board referred the protest to Executive Kellogg.

Kellogg was to meet at 2 p. m. today with the board of supervisors to confer on appointments.

Other matters before the board of supervisors and actions taken follow:

Deferred re-apointment of the county board of education consisting of Henry Hall, San Bruno; John Gill, Redwood City; George Hall, San Mateo, and Lester Henderson, Burlingame.

Filed application of Isadore Brazil for a traffic berth.

Referred building of a courthouse wing under PWA money to District Attorney Edmund Scott.

Approved construction of county relief home sewer at cost of $19,-132; Memorial Park sewer at cost of $23,266, and water shortage project for San Bruno at cost of $23,273.

Hobo Naps on Couch But Finishes in Jail

SAN MATEO, Jan. 2.—A nap started by John Hart, 43-year-old itinerant, on the chesterfield of a home here was finished in the local jail yesterday.

Hart's sleep was rudely interrupted by police officers who were called by neighbors to the home of D. N. Loftus, 327 East Bellevue avenue. They found that Hart had evidently broken a window to enter the house. But apparently Hart, who was intoxicated, only wanted a place to sleep, for he immediately made himself at home on his host's chesterfield.

After he had sobered up in the local bastile, he was given a suspended sentence and ordered out of town by Judge Louis F. Kinnell today.

A WHISPERING CAMPAIGN is telling the story of ½ OFF on EXTRA ELECTRICITY

"WHY I LEFT THE PORCH LIGHT ON ALL NIGHT."

And my, how this lady worried about it. But it wasn't worth worrying about because with ½ Off on Extra Electricity, a 60 watt lamp will burn 24 hours for 1¢.

"YOU KNOW I DID A LOT OF WASHING LAST MONTH."

Now this lady took us at our word—that ½ Off on EXTRA Electricity was cheap electricity. She ran her electric washer 22 EXTRA hours in December, and although she couldn't notice it, her bill was only seven cents higher for all that extra service from her electric washer.

"JACK SAT UP TO ALL HOURS STUDYING."

Then, too, Jack had one of the new Better Sight study lamps with a 200 watt globe. His studying was made easier and he got better grades in all his subjects. It was certainly worth that penny a night for better sight with ½ Off on Extra Electricity.

"THE HOUSE WAS A MESS AFTER CHRISTMAS."

What house isn't quite messy after the tree is taken down! Then out comes the vacuum cleaner to get rugs and furniture, walls and drapes, all spick and span again. An extra thorough job can be done this January with the low cost ½ Off EXTRA Electricity. 22 hours of electric cleaning for 10¢.

"I THOUGHT AN ELECTRIC REFRIGERATOR COST MORE THAN THAT TO OPERATE."

Hundreds of women are surprised each month to find that the marvelous electric refrigerator cost so little to keep going. But think how cheap it now is to operate on ½ Off EXTRA Electricity. A full month of 50 degree refrigeration for 80¢.

* * *

Yes, indeed, the good word is getting around fast. ½ Off on EXTRA Electricity is a genuine bargain.

San Mateo Woman Hurt in Car Crash

Mary Hazel Reid, 32, of San Mateo, received slight injuries last week-end when the car in which she was riding with E. E. Reid, 28, of San Mateo, was hit by a machine driven by Dr. James H. Browne, 38, of San Francisco, according to a report made here today by Traffic Patrolmen Kreiss and Couch. The accident happened near Lomita Park on El Camino Real.

In an accident Saturday night on the Woodside road, Willard Schultz, 24, of 147 Iris street, Redwood City, and William J. Schaefer, 45, of Sacramento, escaped injury.

LEONARD READ TO SPEAK

Burlingame, Jan. 3. — Leonard Read, former secretary-manager of the local chamber of commerce and now manager of the western division of the United States Chamber of Commerce, will be the principal speaker at the installation of the Burlingame chamber tomorrow. At that time G. O. Smallcombe will be installed as president.

Philip Sexton Rites Held on Thursday

Funeral services for Philip Sexton, 80-year-old resident of Menlo Park who died Sunday at his home at 1518 El Camino Real, will be held Thursday morning at the Tinney Funeral Home in Palo Alto, and will be followed at 9:30 by requiem mass at the Church of the Nativity in Menlo Park. Burial will be at Holy Cross Cemetery at Colma.

Mr. Sexton, a native of Ireland, had made his home in Menlo Park for approximately the past 20 years. He is survived by two sons, Thomas F., and Vincent P. Sexton, both of Menlo Park.

Woman, 70, Struck By San Mateo Car

SAN MATEO, Jan. 3.—When she was struck by the machine of Robert G. Hooker Jr., San Francisco attorney, Mrs. Mattie Watkins, 70, of San Mateo suffered possible internal injuries here last night.

The accident happened when Mrs. Watkins attempted to cross the street at San Mateo drive and Bellevue avenue. Hooker, son of Mayor Hooker of Burlingame, reported that he did not see the aged woman until too late to avoid hitting her.

American Girl Held By Nazis Is Freed

BERLIN, Jan. 3 (U.P.)—Miss Elsa Sittell, American girl held in solitary imprisonment for 10 days at Waldmohr on a charge of slandering Adolf Hitler was freed today.

An unpleasant international incident thus was settled. Miss Sittell, a naturalized resident of New York, was alleged to have intimated that Hitler is of Jewish descent.

She is free to remain in Germany and visit her parents, or to return to France.

Four of Crew Missing After Vessels Crash

NEW YORK, Jan. 3 (U.P.)—At least four of the approximately 180 persons aboard the coastal steamer Lexington when she was rammed and sunk in the East river still were missing today.

Meanwhile authorities attempted to place responsibility for the accident which but for chance and luck could have been a major disaster.

The Lexington was struck by the freighter Jane Christenson below Brooklyn bridge. She was outbound, headed for Long Island Sound and thence to Providence, R. I., with approximately 126 passengers and a crew of 65. She broke in two. One half sank immediately. The other half drifted north and sank within 10 minutes.

MAN DROPS DEAD

DALY CITY, Jan. 3.—John Vallerga, 46, of San Francisco, dropped dead yesterday afternoon when he was planting potatoes on a ranch near Daly City.

Judgeship Here Is Not Sought By Shortridge

Reports that former United States Senator Samuel Shortridge was a candidate for the superior court judgeship vacated by the death last week of Franklin Swart were branded as absolutely false today by Shortridge himself when contacted at his Menlo Park home.

"I have been urged by several of my friends to try to secure the position," the former senator said, "and I am very appreciative of their kindly thoughts and efforts in my behalf, but I could not accept the position if it were offered to me."

Mr. Shortridge retired two years ago after his defeat for re-election to the federal post, and said today he intends to remain "retired."

So far no jurist has as yet been appointed to sit in this county pending the appointment by Governor Merriam of someone to fill Judge Swart's unexpired term. C. E. Peterson, court clerk, said today he was writing to the state judicial council asking them to detail a judge from another county to take care of the work here until Merriam's selection is made.

La Honda Arson Plot Believed Frustrated

A possible arson plot was believed frustrated when thirty-eight sticks of dynamite scattered through the main lodge and empty cabins of an inn at La Honda, connected to each other with a fuse that had failed to burn to the first explosive stick, were discovered yesterday morning by Angelo Losaginus, 45, dishwasher at the hotel, when he opened up, it was reported to the sheriff's office here.

Losaginus reported his findings to Frank Cavalli, owner of the resort, who telephoned Sheriff James McGrath. Undersheriff Lawrence Nieri and Deputy Leland Quinlan are investigating.

Tony Fodera, 68, has been operating the hotel.

Quiet New Year's Outside Crashes Is Reported Here

Redwood City apparently enjoyed a fairly quiet New Year's Eve, it was revealed Tuesady by a check-up of hospitals, police and sheriff's offices and the fire department.

The firemen had lots of fun during the night, but it didn't consist of fighting fires. They enjoyed their annual New Year's Eve ball at the firehouse here, and all reported a jolly good time until the early hours of the morning. Shortly after midnight a turkey sandwich-cake-ice cream supper was enjoyed, which was followed by more dancing.

Many other parties were held in town, while a goodly share of the populace journeyed to San Francisco where the customary celebration was reported bigger and better than ever this year.

A. Vireno Wins $375 In Suit over Rent

Judgment for the plaintiff was rendered late yesterday by Superior Judge Maxwell McNutt in the suit of A. Vireno vs. M. Marketti and N. Stefanelli.

Vireno was granted $375 plus $16.75 interest, which he charged the defendants owed for rent of a Daly City store building, and was given the right to recover possession of the property.

CUPID MAKES RECORD GAIN IN PAST YEAR

Cupid's dart pricked a third more couples in San Mateo last year than in 1933, but 181 of them weren't stabbed hard enough by the little elf's arrow to take effect, it was disclosed last night as final figures for the county clerk's office here were tabulated.

In 1934 1,026 couples filed notices of intention to marry in E. B. Hinman's office. But only 845 took out their marriage licenses.

The year before only 771 filed notices, but of these 705 came back to get licenses.

Just to prove that Cupid can work on the old as well as young, yesterday afternoon James Russel Case, 65, and Mary F. Case, 71, both of Oakland, filed notice of intention to marry. Whether the wedding is a remarriage could not be learned here last night. One known remarriage was in prospect, however, as Joseph D. and Alyce Sunseri of San Jose secured a license.

Prospects of many New Year's Day marriages appeared bright as nine licenses to wed were issued yesterday, an unusually large number, considering the fact that the average is less than three a day.

Counteracting the good work of Dan Cupid was that of the old demon Jealousy, however; it appeared when a tabulation of divorces granted in the superior court here was made. During the year just closed 191 couples received divorces or had their marriages annulled.

One consolation, however, to those who dislike such things is the fact that while 191 separations were legalized, 272 couples had filed suit for divorce. Some of them, of course, "made up," while perhaps others are merely awaiting better grounds on which they hope a judge will grant a divorce!

Zwerin Is Appointed On Palestine Study

Kenneth Carlton Zwerin has been appointed a member of the national sponsorship committee for the Conference on Palestine. The conference will be held on Sunday, January 20 at Washington to register the will and intention of America Jewry toward Palestine. The appointment was made in New York by Morris Rothenberg, president of the Zionist Organization of America.

Mr. Zerwin has just returned from the Pacific Conference of Jewish Religious Schools at which he was a delegate. He will install the officers and address the members of the Ladies' Auxiliary of Congregation Beth Sholom, in San Francisco, next Tuesday afternoon.

University of Chicago's basketball team hopes to dribble its way to the Western Conference championship this season. Left to right, the players shown here are Petersen and Eldred, centers; Haarlow, forward; Dorsey and Kaplan, guards, and Flinn, forward.

San Carlos Man Taken By Death

A lingering illness proved fatal at 10 p. m. last night to Clifford Marvin Ness, 32, San Carlos salesman.

Besides his widow, Olavia A. Ness, the deceased is survived by his mother, Mrs. Ollie Ness. A sister, Mrs. Carrie Dahl, and a brother, Roy Ness, also survive.

Funeral services will be held at 2 p. m. Thursday from the Layng & Tinney Funeral Home here, with interment following at Cypress Lawn Memorial Park. Rev. Albert R. Kurtz of the Burlingame Lutheran Church will be in charge of the services.

TRANSIT INTERESTS GUARDED AT MEET

Granting of Franchise Unopposed If Rates Indiscriminatory

Peninsula interests at the meeting of the state toll bridge authority in Sacramento this afternoon are being guarded by a delegation composed of County Clerk E. B. Hinman, Engineer James S. James, Attorney Harry Wade and Planning Commission Technician Ronald Campbell.

The delegation took with it a letter from the county planning commission which it will present to Governor Merriam, head of the toll bridge authority. The communication states that this county does not oppose the granting of a franchise to the Interurban Electric Company for the operation of trains across the bay, as long as the new carrier succeeds to the Southern Pacific's obligations to maintain rates that will not discriminate against the peninsula.

Representatives of all bay cities are expected to be at the meeting, as are representatives of organized labor, chambers of commerce and other interested organizations.

While the state railroad commission will have observers in attendance, the Southern Pacific and the Key System, the utilities interested, have announced they will not be represented.

The meeting may produce a proposal that the municipalities involved form their own utility district to operate trains across the bridge. The contracts with the Key System and the Southern Pacific brought many protests because of the provision which granted long-term franchises without what the cities considered adequate protection for the public interest.

Chinese Arrested In Narcotics Raid

Five Chinese were arrested Saturday night in a San Mateo raid and three more are sought today on narcotic charges.

Those in jail there are Lee Soon, 32; Wong Hok, 49, and Ah Gee, 69, while Yee Gee, 36, and Yee He, 26, are at liberty on $15 cash bail. The latter two were charged only with vagrancy when they were found in the "den" on Railroad avenue which was raided by agents headed by Harry D. Evans, agent of the state narcotic bureau.

The three who got away by leaping over a banister are King Ho, Lee Coy and Yee Jam. Their arrests are expected soon, according to officers.

Toastmasters' Charter Night Plans Forming

Plans are rapidly being formulated for the charter presentation night of the Redwood City Toastmasters Club next Monday evening at the Sequoia high school. Word has just been received from Toastmasters International that Fred Hansen, national secretary of the Young Men's Christian Association for the Pacific Coast, has been chosen to make the charter presentation.

This club, which is promoted through the Y. M. C. A. to develop public speaking from a practical standpoint among men, has a full roll of 25 men and a waiting list of seven.

A complete program for the charter presentation will be given later.

It was announced today that in the event that there is sufficient interest a second club will be set up. Those interested should get in touch with Roy A. Hohberger, the local Y. M. C. A. secretary at Redwood 974.

EARLY RETURNS IN WATER POLL FAVOR CHANGE

Redwood City's straw ballot being taken by the water department to determine the quality desired here is showing a preference for pure Hetch Hetchy, City Engineer Charles L. Dimmitt reported today.

The lead, however, is being cut down by the two other propositions proposed to the people—fifty-fifty mixture of water and retention of the status quo.

Hetch Hetchy (Plan No. 1) is leading with 40 per cent of the ballots cast in its favor so far. Plan No. 2 (fifty-fifty mixture), and Plan No. 3 have each polled 30 per cent of the ballots.

Of 2200 ballots sent out, only 450 have been returned to date. City officials are anxious to secure a full and prompt return on the poll. Ballots must be in by January 5.

Injuries Are Fatal To Trainman Hit By Motorcar Here

Jesse E. Mathis, 40, attendant at the veterans' hospital in Palo Alto, today faced manslaughter charges as the result of the death in San Francisco Sunday of A. O. Eager, Oakland Southern Pacific train employe who was pinned between Mathis' automobile and his train here Saturday morning.

Clyde Rowland, 42, who was riding with Mathis when the accident happened, was released after spending the night in the county jail here. Mathis is being held in lieu of $250 cash bail.

The accident occurred when Eager got off his train to flag automobiles at the Middlefield road crossing south of Redwood City.

As the brakeman waited for the east-bound train to pass the crossing, preparatory to swinging onto the caboose, the car driven by Mathis approached from the south and hit the train, crushing Eager between the machine and the moving train, according to Deputy Sheriff Leland Quinlan, who investigated the accident and arrested Mathis and Rowland.

Eager was rushed to the Palo Alto Hospital, and later removed to the Southern Pacific Hospital in San Francisco, where he died yesterday.

SPEEDER TICKET MARRIAGE GIFT FOR NEWLYWEDS

Romance plays no part in the lives of Palo Alto policemen, according to Harry Morey, newly-appointed postmaster of Menlo Park, who was married Sunday to Mary Alice Sullivan of Menlo Park at the Santa Clara University chapel.

After leaving the hotel in Palo Alto where the wedding breakfast was served, the best man, Frank Morey, "stepped on the gas," in order to rush the bride and groom to the Sullivan house, where a reception was being held.

So a Palo Alto police officer interrupted the trip and decreed that the bridal car was going altogether too fast. Of course, the bridegroom couldn't put up much of an argument in front of his new bride so they calmly accepted the ticket and will start their wedded life with a summons to appear before a judge this week.

Users of Water Asked to Return Postcard Ballots

Lack of a return of the postcard ballots sent to water users asking whether they want the city to acquire pure Hetch Hetchy water, a mixture of the mountain water with the present supply, or continue using the underground water, threatens to prevent the city council's deciding the matter in accord with the wishes of the majority of the people, it was pointed out today by city officials.

So far only 740 of the stamped, addressed postcards have been returned to the city hall, while approximately 2,900 were sent out. Of those returned, more than 300 favor the securing of pure Hetch Hetchy water, but the council members point out that such a small vote can hardly be typical of the wishes of the people.

Consequently they urge water users to return their ballots at once. It had been hoped most of them would be returned by Saturday so the council could act upon the propositions Monday night at its meeting.

It is necessary for water users only to mark the ballot and drop it in the mail box.

Clark Is Released On Own Recognizance

Following questioning by Deputy District Attorney Harold F. Anderson, James Clark of Oakland, who was jailed here after an alleged shooting in North Palo Alto early Sunday morning, was today at liberty on his own recognizance.

Clark was arrested by Deputy Sheriff Joseph Meeks after he had allegedly taken three shots at the Palo Alto Service Station and Restaurant on the Bayshore highway near University avenue. He was charged with being in possession of a concealed weapon.
